August Meeting

Time is flying by, let's all get our cars out before the snow falls!

The Buckeye Mets meeting on Sunday at my house, was a real disappointment. I prepared for at least 30 members but only 10 showed up & that included me. I hope that you all received the letters or e-mails that were sent to announce the time & place of the meeting. I only received 3 RSVPs. Oh well I will have left overs for the next few weeks....

I have not received any suggestions for any events or doings for the near future.

The Robertson did send a suggestion for next year, which we will seriously plan to attend.

The Northern Chapter of the AACA is having a car show on Sunday Aug. 26.

I have inserted a flyer. It sounds great I hope that you all might be interested. I know i will try to be there.

If you think of anything fun with our cars, or have any suggestions please let me know. Remember \$25. gift

Rosie
