OCTOBER 2018 NEWSLETTER

I do hope that you have been to several car shows & enjoyed the nice weather we had. Get ready for our cold fall and winter!

I have talked to a few of our members recently. I did try to attend a few car shows. Quaker, Steak & Lube has car meetings every Sunday. I don't know how long they last during the year, but our group should really plan on meeting there and showing off our Mets! Every time I have gone I never have seen a Met on display. They have good food so let's talk about it! We could plan a meeting there.

If you have any suggestions for a gathering please let me know. Remember, if we use your suggestion you earn \$25.00. Let's try to come up with some good suggestions. We want to keep the Buckeye Mets group going!

Rosie
